APP DESIGN

STYLING CLOSET
APPLICATION

styling studio

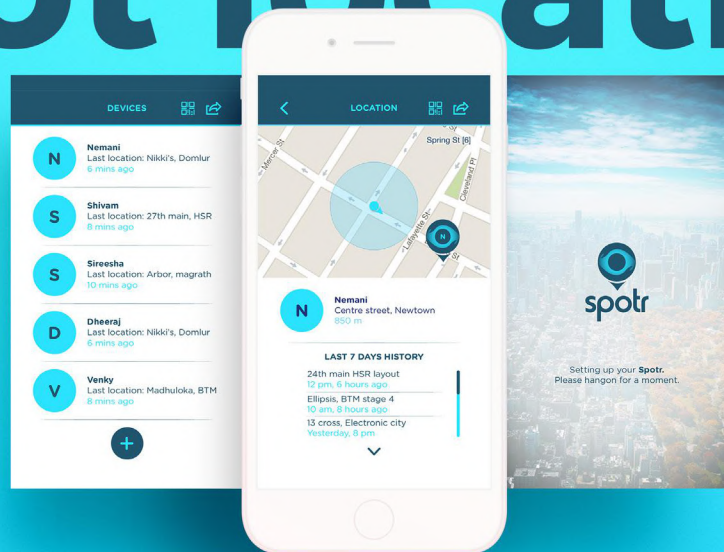

RA - The styling studio is a Fashion Consultant Brand which focuses on changing the perspective of a customer towards fashion. Their main mission is to make an **individual feel confident**. This application is an application where customers can try their selected attires online using the technology power of a dual camera and buy the products online as an e-commerce company as india dosen't have an exclusive luxury based shopping website with a **stylist guidance**.

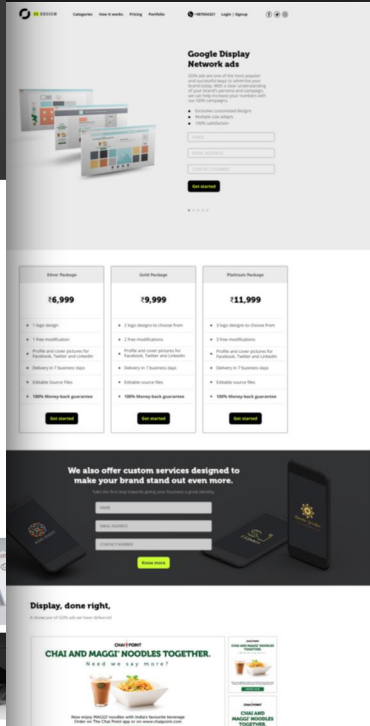

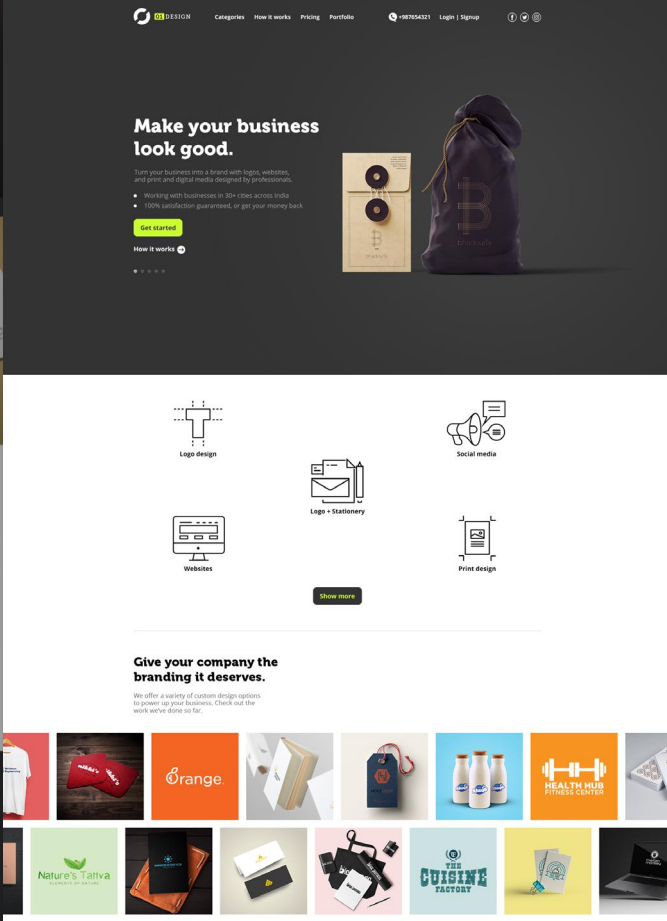

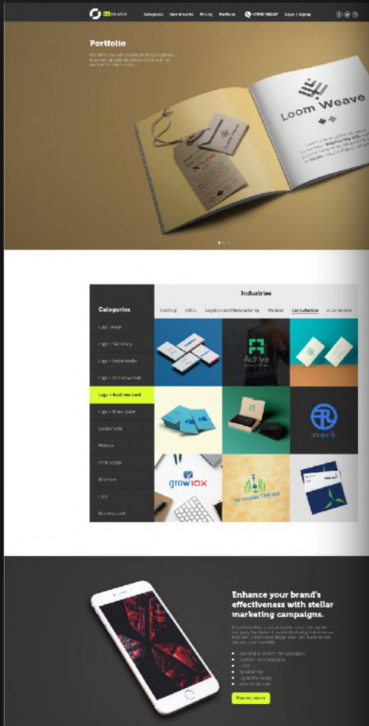

TRACKING
APPLICATION

spot location

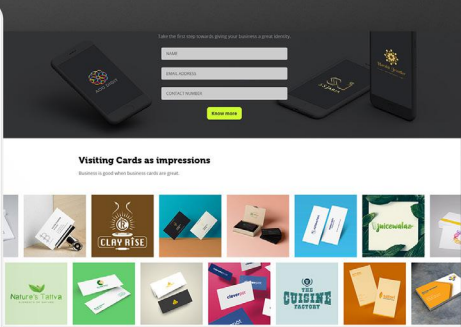

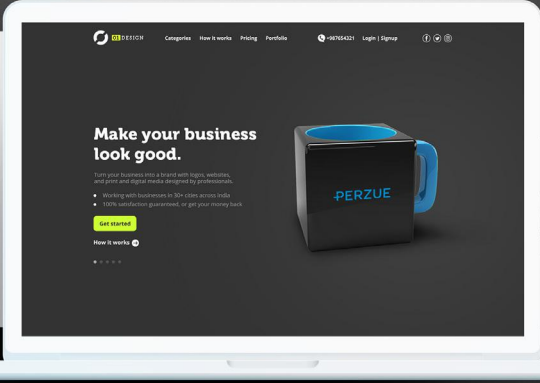

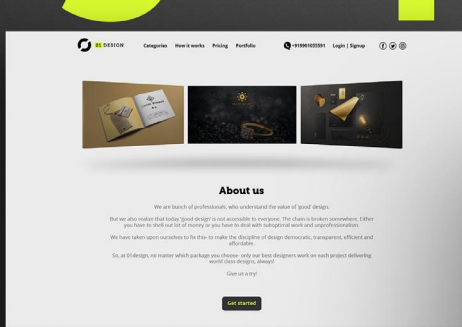

Spotr is a Tracking mobile application for android platform. The main purpose of the app is to track whereabouts of family, friends and loved ones. Other than this parents can see and monitor their children through the app whether if they are at right place at right time. The app works on both party encrypted connection via standard QR code or IP code.

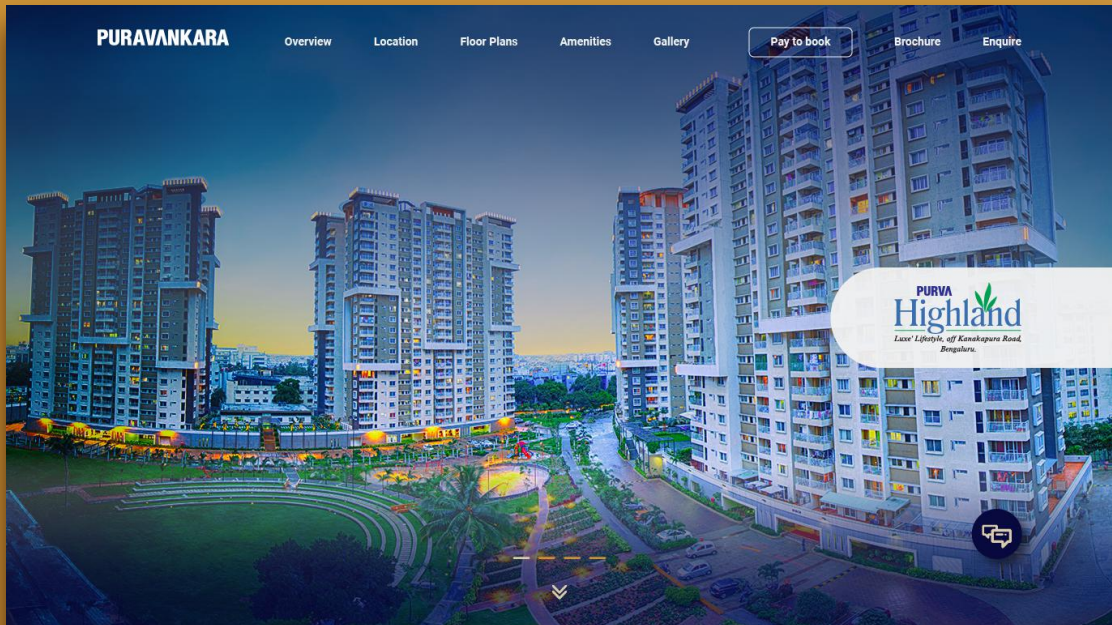

01 DESIGN
ONLINE GRAPHIC
MARKET

graphic store

01 design is an online **Graphic Design Marketplace**. The premise is simple, launch a form with a brief for a design you need (whether that's a logo, image, business card or even a website), choose a package, and receive designs. Choose the best designs from the option(depend on package).
